A B C Book Club

All Books Considered book club membership continues to grow. We started with seven members from Beta Zeta who love to read. Friends asked if they could join, and now 4 years later we number fourteen members.

We meet once a month at a member's home and enjoy discussing the book we just read along with delicious food and beverages provided by the hostess.

We consider all books and quarterly decide on the next three books for the quarter. This way we jump ahead if we so choose.

Some of the books we have read in the past year include:

Band of Sisters by Lauren Willig, based on a true story of women from Smith College who went to France during WW 1 to help civilians affected by the war.

To Love and Be Loved by Jim Towe, a portrait of Mother Teresa..

The Orphans of Mersea House by Marty Wingate. A charming story that takes place in 1957 post-war England.

Wish You were Here by Jody Picoult. A modern tale with a twist I won't spoil for you.

Maybe You Should Talk to Someone by Lori Gottlieb. A therapist's story from a personal view.

Behold the Dreamers by Imbolo Mbue. A tale of the 2008 banking collapse told from several perspectives.

Colorado State Council for ESA for St. Jude (2022-2023)

Submitted by Shirley Conway

May 2023

This was a great year for our State Council and all the Chapters. This year we continued with

the program call \$50 for 50 Challenge. All Chapters were doing this along with any other fund raisers for St. Jude.

The Fall and Spring Board meeting drawings for the Swarovski piano that will be

drawn this weekend. This will help our new President, Karen Addison, to

attend the IC challenge and also raise money for St. Jude during the State

Convention. The monies raised from the 'Swarovski' piano will be donated to

St. Jude.

ESA is the Hospital's largest third-party donor. In 2019, ESA celebrated reaching

a threshold of over 300 million in cash and pledges to support St. Jude Children's Research Hospital

Please us the ESA donation form and mark the box on the bottom that is for the

Disaster Fund Report
Colorado State Convention
May 19 -21, 2023

I have thoroughly enjoyed being on Chloe's board as Disaster Fund Chairman. I turned in articles to the Golden Lamp. Our state has been very generous this year with their donations. I received 13-chapter donations, 4 individual donations, and 2 council donations. Those donations have brought in \$6,145.60, plus the \$163 so far from the wall hanging and jewelry brings the total to \$6,308.60.
